Subject: Consent Agenda

As per our decision not to print out consent materials for the packet, I wish to inform the Board in advance that I will be asking for Consent Agenda items #17 and # 20 to be pulled.

For # 17 Cultural Council, I want to be sure that a vote in favor means that the member with the conflict of interest recuses herself from all proceedings on the matter to fund a music group that employs her husband as one of the musicians. That seems to be what is indicated in the enclosed documents.

For #20 Quail Ridge Settlement, I need to recuse myself from the vote.

Sincerely,

Lauren
